Introduction

The purpose of the Arkansas Public Transportation Directory is to educate both users and non-users of public and private transportation with information about publicly and privately owned public transit, paratransit passenger carriers and metropolitan planning organizations as well as commuter services and other for-hire services, and their geographic distribution throughout the State. Every effort was made to include all providers.

Arkansas' first transit program got its start as a privately owned operation in Pine Bluff in 1870 followed by a system in Little Rock in the 1880's. The City of Eureka Springs started the first publically owned transit system in 1891 but was discontinued in the 1920's. Modern public transit systems began to immerge in the 1970's, largely with the signing of the Urban Mass Transportation Act of 1964 by authorizing transit programs and providing Federal funding assistance for transit equipment, facilities and operations. Arkansas, more specifically Metroplan, received its first Federal Transit Administration (FTA) funds in September 1965 - \$383,000 for 42 buses.

The Arkansas State Highway and Transportation Department (Department) became actively involved in transit programs with the passage of Arkansas Act 192 of 1977. This Act gave the Department responsibilities for administering public transportation programs in Arkansas. From this Act, the Department became involved with the Section 5310: Enhanced Mobility of Seniors and Individuals with Disabilities and the Section 5311: Rural Areas Public Transportation programs. During the late 1970's and early 1980's, the Department established seven rural transit systems and funded vehicles for non-profit human service agencies providing transportation service to seniors and the disabled. Today there are eight urbanized and nine rural public transit systems providing service in Arkansas. In addition, approximately 200 human service agencies receive funds through the Department to support transportation services to seniors, persons with disabilities and persons seeking employment opportunities.

Since 1965, Arkansas' transit agencies have received approximately \$603 million of FTA/FHWA funds to support transit planning, training, capital, administrative, and operating activities. Further, approximately \$198 million of State and local funds have contributed to transit operations in the State of Arkansas.

Notice of Non-Discrimination

The Arkansas State Highway and Transportation (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibited discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age national origin, religion or disability, in the admission, access to and treatment in Department's programs and activities, as well as the Department's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department's nondiscrimination policies may be directed to Joanna P. McFadden, Section Head - EEO/DBE (ADA/504/Title VI Coordinator), P.O. Box 2261, Little Rock, AR 72203, (501) 569-2298, (Voice/TTY 711), or the following email address: joanna.mcfadden@arkansashighways.com

This notice is available from the ADA/504/Title VI Coordinator in large print, on audiotape and in Braille. Free language assistance for Limited English Proficient individuals is available upon request.

The Department's Public Transportation Programs Staff

Don McMillen, Public Transportation Administrator - Don manages the Department's Public Transportation Programs Section, which includes the fiscal and management oversight of all public transit programs administered by the State.

Phone: (501) 569-2471 Fax: (501) 569-2476

Email: Donny.McMillen@ahtd.ar.gov

Patricia Slater, Public Transportation Grants Officer - Patricia prepares and submits each grant application to FTA. She also prepares and submits quarterly and annual Grant Reports required by FTA. Patricia also serves as the DBE Programs Officer, oversees the National Transit Database (NTD) Reporting and Transit Planning documentation.

Phone: (501) 569-2475 Fax: (501) 569-2476

Email: Patricia.Slater@ahtd.ar.gov

Bill Ryan, Administrative Officer III - Bill is the 5311 Program Manager for BRAD, Mid-Delta, NEAT, SCAT and ATA with RTAP. He is the MPO Coordinator for Hot Springs and West Memphis. Bill is also the Title VI/EEO officer for the transit section.

Phone: (501) 569-2472 Fax: (501) 569-2476

Email: Bill.Ryan@ahtd.ar.gov

Bill Bastress, Administrative Assistant III - Bill is Co-Program Manager for the Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program.

Phone: (501) 569-4930 Fax: (501) 569-2476

Email: Bill.Bastress@ahtd.ar.gov

Charles Brewer, Safety and Security Officer - Charles manages the Section 5316: Job Access and Reverse Commute (JARC) Program along with the State TransLease Program. He is also responsible for Rail Safety & Security and Drug & Alcohol compliance reviews. Charles also prepares Vehicle Specifications and Bids and conducts New Vehicle Inspections.

Phone: (501) 569-2478 Fax: (501) 569-2476

Email: Charles.Brewer@ahtd.ar.gov

Danny Chidester, Transportation Specialist - Danny is the 5311 Program Manager for Eureka Springs Transit, NATS, Ozark Regional Transit, SEAT and WTS. Additionally, Danny oversees the Public Transportation Webpage content and maintains and updates the office's PT Database and Asset Management Inventory.

Phone: (501) 569-2559 Fax: (501) 569-2476

Email: Danny.Chidester@ahtd.ar.gov

Rick Cranford, Public Transportation Planner / Asset Specialist - Rick is responsible for the Sections' Vehicle Maintenance and Safety Program. Each vehicle purchased with FTA funds is inspected on a routine basis to ensure vehicles are properly maintained and safe to transport persons.

Phone: (501) 569-2026 Fax: (501) 569-2476

Email: Rick.Cranford@ahtd.ar.gov

Gloria Hagins, Public Transportation Technician - Responsible for the 5310 Quarterly Performance Monitoring Reports and the Department's Inventory Control compliance. She also provides Technical Support for all other programs.

Phone: (501) 569-2471 Fax: (501) 569-2476

Email: Gloria.Hagins@ahtd.ar.gov

The Department's Public Transportation Programs Staff

Larry Lanes, Administrative Assistant III - Larry is Co-Program Manager for the Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program.

Phone: (501) 569-4932 Fax: (501) 569-2476

Email: larry.lanes@ahtd.ar.gov

David "Bud" Laumer, Transportation Specialist - Bud collects and organizes passenger trip data as required by FTA, including but not limited to: the National Transit Database, DBE reporting for the Section 5311 Program, and Federal Funding Accountability and Transparency Act (FFATA) reporting.

Phone: (501) 569-2927 Fax: (501) 569-2476

Email: Bud.Laumer@ahtd.ar.gov

Matthew Penix, Public Transportation Coordinator / Asset Specialist - Matt assists the Sections' Vehicle Maintenance Program. Each active vehicle purchased with FTA funds is inspected on a routine basis to ensure vehicles are properly maintained and safe to transport persons.

Phone: (501) 569-4931 Fax: (501) 569-2476

Email: Matthew.Penix@ahtd.ar.gov

Kim Wroten, Section Office Coordinator - Fiscal Management / Claims Processing / Federal Funds / Purchasing - Kim is responsible for Fiscal Management of each transit program. This includes processing agencies' claims along with preparing fund draw-downs from the FTA. Kim also is responsible for all vehicle and office purchasing.

Phone: (501) 569-2477 Fax: (501) 569-2476

Email: Kim.Wroten@ahtd.ar.gov

Federal Transit Administration – Region VI

E-mail: Ronisha.Hodge@fta.dot.gov

Arkansas Transit Association

The Arkansas Transit Association (ATA) was incorporated in 1980 as a 501(3) (c) non-profit trade association to provide technical assistance and training for Arkansas's public transit systems. From the beginning, ATA has partnered with the Arkansas State Highway and Transportation Department (Department) to advance safe passenger transportation.

Today, ATA has almost 245 members, including seventeen urban and rural transit agencies, community services organizations transporting seniors, people with developmental disabilities, private passenger carriers, state agencies and industry vendors.

ATA's offices are located in the Arkansas Public Transit Safety and Resource Center in North Little Rock. Built in 2002 with federal and state funding assistance, this award-winning training facility hosts a wide variety of transportation meetings, workshops and seminars.

ATA's nationally-recognized Training Program specializes in passenger transportation safety, and a variety of low-cost courses are conveniently offered to ATA members. Courses are adapted to each agency's specific needs, and great care is taken to deliver updated and relevant material. A current list of training topics can be found on ATA's website.

ATA co-sponsors an Annual Public Transportation Conference with the Department and the Federal Transit Administration (FTA). This popular event provides timely and informative programs, offers opportunities for networking, and showcases vendors' products and services.

In addition, ATA administers three Drug and Alcohol Testing Program Consortia for employee testing and helps with policy development, training and legal compliance. Although tests required by FTA, the Federal Motor Carrier Safety Administration, and those not regulated by the United States Department of Transportation are conducted separately, the consortium group purchases result in lower costs and superior customer service to ATA's members.

Other ATA benefits include a Workers' Compensation Self-Insured Trust Fund, internet-based background checks and free traffic violation reports for public and non-profit members.

For thirty-four years, ATA has served its members, proudly advocating for recognition of their hard work and dedication to increasing the quality of community transportation in Arkansas.

Program Information

The Arkansas State Highway and Transportation Department (Department) is appointed as the “designated recipient” of Federal Transit Administration (FTA) funds by the Governor of Arkansas. The Public Transportation Programs Section (PTPS) of the Department’s Transportation Planning and Policy Division is responsible for the programming and administration of federal and state transit programs (*). The program categories are as follow:

*** The Enhanced Mobility of Seniors and Individuals with Disabilities Program, Section 5310.** This federal program provides capital assistance to private nonprofit organizations and public entities that provide transportation. Department assistance consists of purchasing rolling stock and specialized equipment to transport seniors and individuals with disabilities. The PTPS determines the eligibility of applicant organizations and orders rolling stock and equipment according to the organizations’ needs. The Section 5317 New Freedom Program is now consolidated into this program. This statewide program is allocated approximately \$2.5 million annually.

*** The Rural Areas Formula Program, Section 5311.** This federal program provides capital, operating, and administration assistance to areas with populations under 50,000 persons. Funds are for transit systems that are open to the public and may support fixed route or demand response systems. There are currently nine rural public transit systems in Arkansas: Black River Area Development (BRAD) Transit, Pocahontas; Eureka Springs Transit, Eureka Springs; Mid-Delta Transit System, Helena-West Helena; North Arkansas Transit System (NATS), Harrison; Northeast Arkansas Transit (NEAT), Jonesboro; Ozark Regional Transit Authority, Springdale; South Central Arkansas Transit (SCAT), Malvern; Southeast Arkansas Transit (SEAT), Pine Bluff; and Western Transportation System, Fort Smith. The Section 5316 Job Access and Reverse Commute (JARC) program is now consolidated into this program. This program is allocated approximately \$12.1 million annually.

*** The Statewide Planning and Metropolitan Planning Program, Sections 5303/5304.** These federal programs provide planning assistance to rural and designated urbanized areas with populations over 50,000 persons. There are currently eight areas eligible for assistance: Little Rock, Jonesboro, Fort Smith, Pine Bluff, Texarkana, Hot Springs, Fayetteville/Springdale, and West Memphis. This program is allocated approximately \$2.2 million annually.

*** The Job Access Reverse Commute Program, Section 5316.** This federal program has been consolidated into the urban or rural public transit programs, Section 5307 or Section 5311. As a result, detailed data for this program is not included in this document.

*** The New Freedom Program, Section 5317.** This federal program has been consolidated into the Enhanced Mobility of Seniors and Individuals with Disabilities Program, Section 5310. As a result, detailed data for this program is not included in this document.

Program Information

*** The State Safety Oversight Program, Section 5329.** This federal program provides assistance to states to develop a state bus and rail safety plan. MAP-21 requires all public transportation recipients of FTA bus or rail funds to develop safety plans that will identify, investigate, and monitor safety risks. The plan also must identify a safety officer who is certified and properly trained on a continuous basis.

*** The Bus and Bus Facility Formula Program, Section 5339.** This federal program provides capital assistance to replace, rehabilitate and purchase buses and related equipment as well as construct bus-related facilities. The Department administers funds (approximately \$1.8 million) allocated to rural public transit system and urban systems with populations of less than 200,000 persons. Rock Region Metropolitan Transit Authority (Rock Region Metro), Ozark Regional Transit (ORT) and Razorback Transit are allocated approximately \$721,000 directly from FTA.

*** The TransLease Program.** This state program provides funding for public and nonprofit agencies to lease vehicles up to 4 years. Vehicles are released to the lessee when the four year lease is paid. Eligible agencies are those that would normally be eligible for assistance under another federal transit program but have additional needs above existing funding levels.

The Urbanized Area Program, Section 5307. This federal program is not administered by the Department. It provides capital and operating assistance to areas with populations over 50,000 persons. The Section 5316, Job Access and Reverse Commute (JARC) Program is now consolidated into this program for urbanized areas. These funds are for transit systems that are open to the public and may support fixed route and demand response systems. There are currently eight urbanized transit systems in Arkansas: Rock Region Metro, Little Rock; Fort Smith Public Transit, Fort Smith; Hot Springs Intracity Transit, Hot Springs; Jonesboro Economic Transportation System, Jonesboro; Ozark Regional Transit Authority (ORT), Springdale; Pine Bluff Transit, Pine Bluff; and Razorback Transit, Fayetteville. Texarkana Urban Transit District receives funds allocated for Arkansas through the Texas Department of Transportation. This program is allocated \$5.1 million annually based on population and population density. Rock Region Metro, ORT and Razorback Transit are allocated approximately \$6.9 million annually directly from FTA.

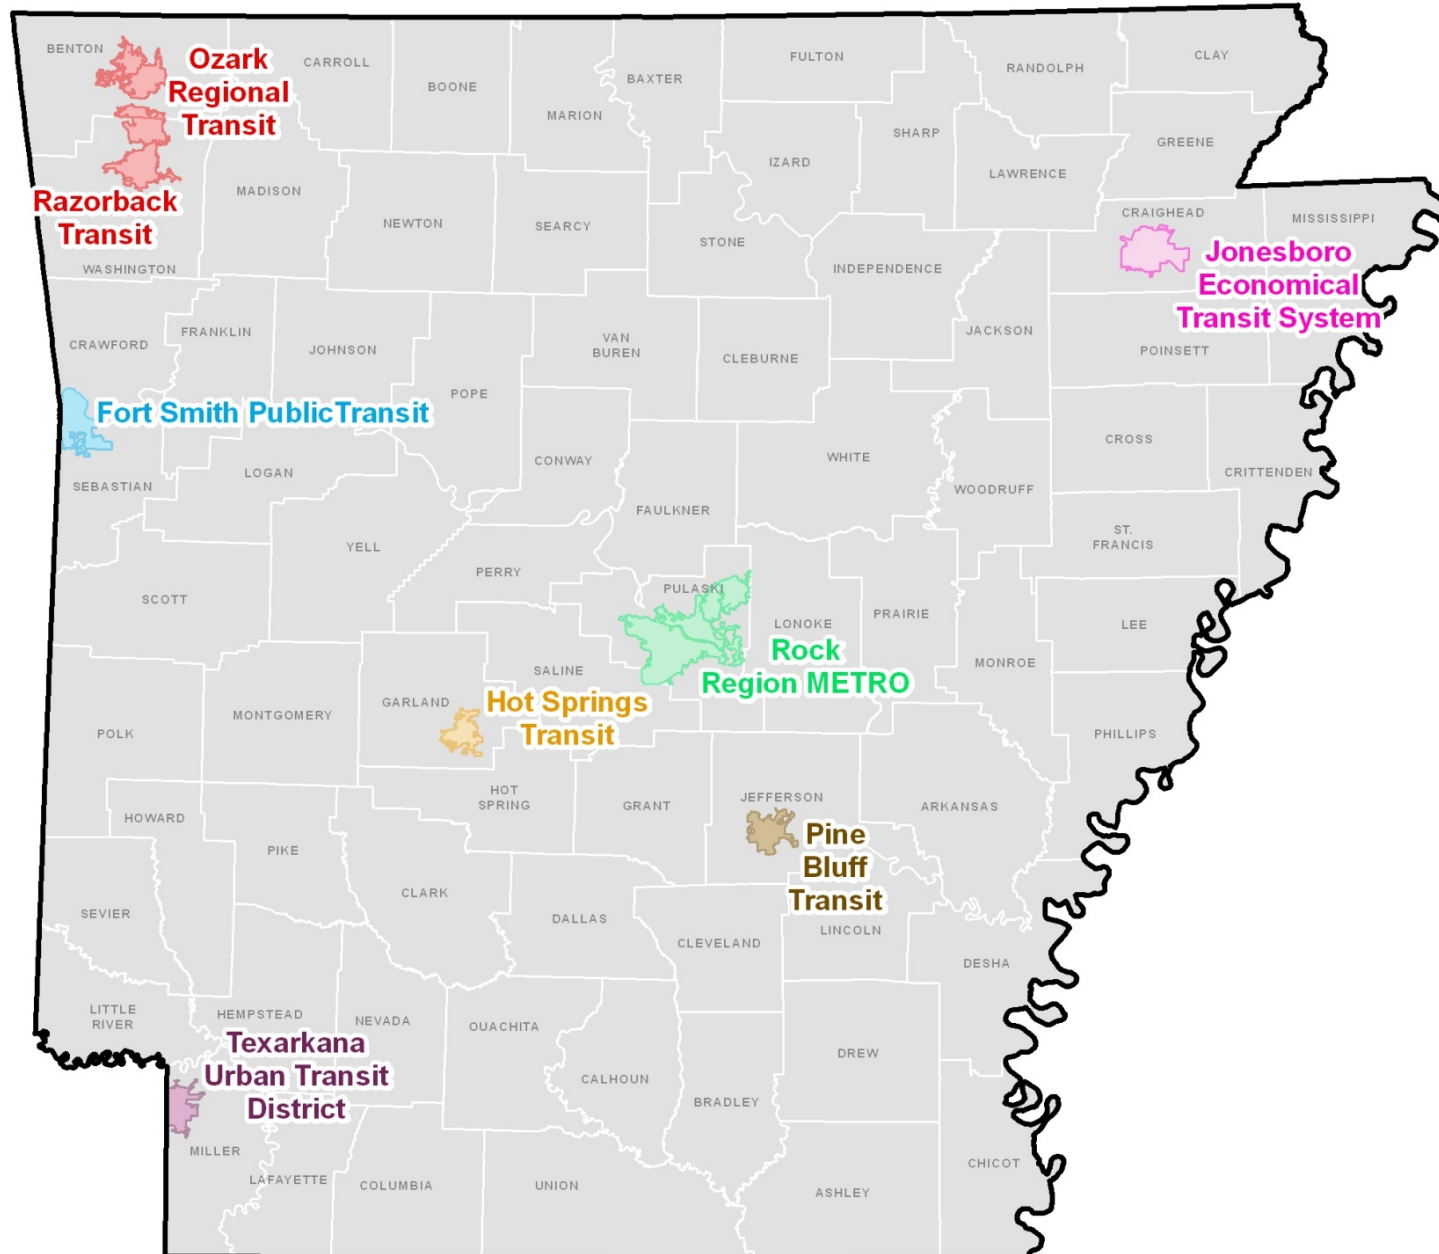

Glossary

Accessible Vehicle:	A vehicle equipped with a wheelchair accessibility package or ramp which allows passengers using wheelchairs to enter, exit, and ride the vehicle.
Americans with Disabilities Act (ADA):	A civil rights law passed by Congress in 1990, which makes it illegal to discriminate against people with disabilities in employment, services provided by state and local governments, public and private transportation, public accommodations and telecommunications.
ATA:	Arkansas Transit Association
Bus:	A self-propelled rubber-tired vehicle that (1) operates on streets and roads without being confined to a fixed guideway; and (2) is designed to accommodate 15 or more persons based upon size and design.
Commuter:	A person who travels regularly between the same two points for the same reason, usually employment.
Contract Route:	A route operated to accommodate rides for which another agency (i.e., human service agencies or senior programs) has contracted for the service.
Demand-Responsive:	A transportation service characterized by flexible routing and scheduling of relatively small vehicles to provide door-to-door or point-to-point transportation at the users demand; and, that operates either on the street and highway system (e.g., taxicab) or on a guideway.
Department	Arkansas State Highway and Transportation Department
Department of Transportation (DOT):	The Federal Department of Transportation.
Disabled Individual:	An individual who has a physical or mental impairment, which substantially limits one or more major life activities.
Express Service:	Service along a route that provides higher speeds and fewer stops than generally found on other portions of a system or on the same route in local service.
Fare:	The designated payment for a ride on a passenger vehicle, whether cash, tokens, transfer, coupon, or pass.
Federal Transit Administration (FTA):	A part of the United States Department of Transportation which administers the federal program of financial assistance to public transit (formerly known as the Urban Mass Transportation Administration or UMTA).
Fixed Route:	Transportation service operated over a set route or network of routes generally on a regular time schedule.

Glossary

Intercity Transportation:	Transportation service between cities, usually on a fixed route, fixed schedule by certified carriers.
Intracity Transportation:	Transportation service within a city.
MPO:	Metropolitan Planning Organization. An organization of primarily local elected officials and representatives from public transportation agencies who provide a forum for local decision-making on transportation issues in urbanized planning areas.
Operating Cost:	The recurring costs of providing transit service, i.e., wages, salaries, fuel, oil, taxes, maintenance, depreciation, insurance, marketing, etc.
Paratransit:	One of several forms of small capacity passenger transportation including taxis, car pools, specialized vans, Dial-A-Ride, and shared ride.
Park-and-Ride:	A type of transportation where a single occupant (usually) drives to a designated point by private auto and transfers to a public mode of transportation such as bus, rail, vanpool, carpool, etc. for the remainder of the trip.
Passenger:	A person (excluding the driver or crew members) who rides a public transportation vehicle.
Passenger Miles:	The total number of passengers carried by a transit system multiplied by the number of miles traveled.
Passenger Trip:	One person making a one-way trip from origin to destination. One round trip equals two passenger trips.
Public Transportation:	Transportation by a conveyance that provides regular, continuing shared-ride surface transportation services that are open to the general public or open to a segment of the general public defined by age, disability, or low income.
Ride-sharing:	A transportation service which includes carpooling, vanpooling, bus pooling and transit.
Transit System:	The facilities, equipment, personnel, and procedures needed to provide and maintain public transportation service.
Transportation:	Movement of people or goods from one place to another by public or private means.
Urban:	The term used to describe cities. The size of those areas is differentiated by calling cities of more than 50,000 population "urbanized areas" and those of 5,000 – 50,000, "urban areas".
Van:	A vehicle having a typical seating capacity of 8 to 18 passengers and a driver. A van is typically taller and with a higher floor than a passenger car, such as a hatchback or station wagon. Vans normally cannot accommodate standing passengers.

8:00 a.m. - 7:00 p.m. (Sat.)

Service Area: City of Fort Smith

Fort Smith Transit began operations in June of 1996 providing safe, prompt and dependable transportation to the people of Fort Smith. The system is owned and operated by the City of Fort Smith. The department operates seven fixed routes as well as demand response/paratransit services. Our immediate goals include expanding our CNG fleet, bus stop terrain assessments and additional bus stop shelters.

Service Area: City of Jonesboro

The Jonesboro Economical Transportation (JET), a department of the City of Jonesboro, began operations on May 3, 2006, with 3 Fixed Routes supplemented by Complementary Paratransit Service.

JET currently offers service to more than 100 stops along four routes that serve Downtown Jonesboro, Arkansas State University, the Jonesboro Industrial Park, Turtle Creek Mall, and the areas of Jonesboro that are the most challenged by the lack of transportation resources. One of its current routes is designated as a Job Access-Reverse Commute service from north and west Jonesboro to the primary industrial park in eastern Jonesboro and ASU-Newport's technical education campus, and Jonesboro's hospitality industry venues.

By the end of the summer of 2014, with just eight years of operational history, JET has served Jonesboro by providing more than 530,000 public transit rides. JET, serving the citizens of Jonesboro, *ONE STOP AT A TIME*.

Ozark Regional Transit has been providing transportation in Northwest Arkansas since 1978. Our Board of Directors consists of regional leadership and we continue our mission to provide demand-response transportation. In July 2002, ORT began our first fixed route service in Fayetteville under the Job Access and Reverse Commute (JARC) with funding from the Federal Transit Administration (FTA). In the fall of 2005, we converted or added a total of 6 new fixed routes in Bentonville, Rogers, Springdale, and Fayetteville. Currently we have 14 buses on 10 fixed routes. Visit our website at www.ozark.org for more information.

6:00 am – 6:00 pm

Service Area: City of Pine Bluff

The City of Pine Bluff has had a transit system since 1870, when it was operated by the private sector. It is the oldest transit system in the State. In 1974, Pine Bluff Transit became a city owned and operated transit system. The system consists of eight fixed routes and an American with Disabilities Act of 1990 (ADA) paratransit service.

The main short range and long range goals of the transit service is to provide services to those citizens dependent on the transit system for transportation. The objective is to provide transportation to places of employment, shopping, medical services, social services, educational services and recreation facilities. The service area has been designed to provide service to all areas of the City.

Days and Hours of Operation: Monday - Saturday
7:00 am – 10:30 pm

Service Area: Core of the City of Fayetteville

Razorback Transit provides ten fare free public transit routes and complementary ADA paratransit service, serving the “core” of the City of Fayetteville and the University of Arkansas campus. Up to twenty buses run in peak service, Monday through Friday 7:00 AM until 6:00 PM and from 6:00 PM until 10:40 PM reduced service is provided on five consolidated routes with five buses in operation, during the Fall and Spring University semesters. Saturday service is also provided on the five consolidated routes with five buses in operation from 7:00 AM until 10:40 PM during the Fall and Spring semesters.

For summer and other University break periods service is provided on the five consolidated routes with up to seven buses during peak service. These routes operate Monday through Saturday from 7:00 AM until 6:00 PM.

Bus service is not provided on official University of Arkansas holidays.

Service Area: Little Rock, North Little Rock, Maumelle, Sherwood, Jacksonville,
and portions of Pulaski County

Transit has been important in Pulaski County's growth since the 1880's. Buses were in local use by 1918, bringing riders to streetcar lines. By 1946, all streetcars had been replaced by buses. In 1972, Metroplan received Federal funding to purchase the assets of the private corporation. To better support the transit system, the Central Arkansas Transit Authority, CAT as it is known today, was created in 1986 by an Interlocal Agreement chartering CAT as a public corporation. Today, CAT has 22 fixed routes and 4 express routes serving Jacksonville, Gravel Ridge, Sherwood, Maumelle, Oak Grove and Highway 10 to Roland. Its paratransit division, Links, provides mobility to persons who are prevented by disability from using regular fixed-route buses.

River Rail, a 3.4 mile streetcar system opened its first phase in November 2004. The second phase opened in February 2007 and extended services to the Clinton Presidential Center and Heifer, International.

On August 15, 2015 Central Arkansas Transit Authority became Rock Region Metropolitan Transit Authority, including complete rebranding, with 15 new Compressed Natural Gas (CNG) buses.

Visit RR METRO River Cities Travel Center, the major transfer hub.

Days and Hours of Operation: Monday-Friday

8:00 am – 3:00 pm

Service Area: Clay, Lawrence and Randolph Counties

In 1975, BRAD started a Public Transportation Program to provide bus service to the public in Clay, Lawrence and Randolph Counties. This program received National Model Project recognition. BRAD Public Transit currently operates five days a week in Corning, Pocahontas, Walnut Ridge and Hoxie. Transit serves all ages ranging from children to senior citizens. There are no income guidelines and all of the buses are equipped with wheelchair lifts.

Participants are picked up at their door and taken wherever they would like to go within the city limits. Public Transit also makes eight scheduled trips into the three county area monthly picking up participants in outlying areas and providing them transportation to the larger towns for shopping, doctor appointments, etc. The program also schedules day trips several times a month with area nursing homes to enable the residents to leave the facility a few hours.

Days and Hours of Operation:

Demand: Monday – Saturday 6:00 am – 5:00 pm
Fixed Route: Sunday – Saturday 7:30 am – 4:00 pm

Service Area: Calhoun, Clark, Columbia, Dallas, Garland, Hot Spring, Montgomery, Ouachita, Pike, Saline and Union Counties

South Central Arkansas Transit (SCAT) was one of the early programs at Central Arkansas Development Council (CADC). Started in 1975, the rural public transportation system was one of the first funded nationally as a Section 147 demonstration program. In 1989, SCAT was one of the first in the state to participate in the Greyhound Rural Connection Program. SCAT's service center in Malvern serves as the bus depot and CADC receives reimbursement for facilitating the movement of its passengers in Dallas, Hot Spring, Ouachita & Union Counties. SCAT fills a very definite need in rural Arkansas providing transportation for anyone in the service area. Other services offered are: job transportation, shuttle service, Senior Centers, Day Care, and medical routes.

Days and Hours of Operation:

Winter - Tuesday - Saturday 9:00 am – 5:00 pm

Summer - Sunday - Friday 9:00 am – 6:00 pm

Saturday 9:00 am - 8:00 pm

Service Area: City of Eureka Springs, Carroll, Benton & Washington Counties

Tucked away in the hills of Northwest Arkansas, Eureka Springs truly is America’s Victorian Village. In 1970 the entire City was added to the National Register of Historic Places. The District now has over 33 Significant and 250 Contributing Structures located within its boundaries, it is the heart and soul of Eureka Springs.

Much of the Historic District as well as the rest of Eureka Springs can be visited in comfort and with convenience using the City’s Transit System. Operating year-round, we have our vintage-looking trolleys and mini-busses that carry passengers over routes that crisscross the City in every direction. Each route is color coded, making getting around our winding, twisting and narrow streets almost foolproof. Eureka first used public transportation on the 1890’s and now in the 2000’s we still are.

Days and Hours of Operation: Monday-Friday 7:30 am – 5:00 pm

Service Area: Craighead, Crittenden, Poinsett, and St. Francis Counties.

North East Arkansas Transit (NEAT) began operations in October of 2012 as a new service offered by Crowley's Ridge Development Council, Inc (CRDC). CRDC has been serving the people of Northeast Arkansas since 1969. Other existing programs include: Community Service Block Grant, Weatherization, Child and Adult Food Care Program, Low Income Home Energy Assistance Program, and Northeast Arkansas Recovery Rehabilitation Center.

NEAT offers curb to curb, on demand transit services to rural residents 5 days a week in the NEAT service area. Passengers are asked to provide NEAT with a 48 hour advance notice in the event that passenger has a medical appointment or specific need. Passengers will be scheduled on a first come, first serve basis. Transportation services offered include: employment transportation, shopping opportunities, medical appointments, socialization activities, or education transportation. There are no income guidelines for this program.

Days and Hours of Operation: Monday – Friday

Service Area: Benton, Carroll, Madison and Washington Counties

Ozark Regional Transit (ORT) has been providing transportation in Northwest Arkansas since 1978. In 2001, Community Resource Group announced that they were getting out of the public transportation business, and a new Board and Regional Authority was formed. This new Board consists of the Judges of Benton, Carroll, Madison and Washington Counties and the Mayors of Bentonville, Fayetteville, Rogers and Springdale.

Route 620 begins in West Fork, Arkansas and travels north through Greenland, Arkansas to Lot 56 on the University of Arkansas campus. Route 620 continues west to Farmington, Arkansas, Prairie Grove, Arkansas and as far west as Lincoln, Arkansas before reversing back to West Fork.

Our services in the rural areas enable persons with disabilities, seniors, and those who cannot afford to operate a personal vehicle basic transportation to medical appointments, grocery shopping, health and human service organizations and many types of trips that directly affect their quality of life. For complete information on our rural service, please go to our website at www.ozark.org.

Service Area: Arkansas, Ashley, Bradley, Calhoun, Chicot, Cleveland, Dallas, Desha, Drew, Grant, Jefferson, Lincoln, Lonoke (south of I-40) and Union Counties

Southeast Arkansas Transportation (SEAT) started in April, 1993, with three vans, three drivers, and a handwritten daily schedule that covered less than one page per van. Today, SEAT makes an average of 1100 one way trips per day, employs 123 people including 99 well trained professional drivers operating 118 vans, with 80 being accessible for riders with physical disabilities.

SEAT was named the 2008 Rural Community Transportation System of the Year by the Community Transportation Association of America (CTAA). SEAT offers demand-response rural public transportation service for citizens of all ages and serves 14 counties in Southeast Arkansas. Riders may access services by riding SEAT locally or from Southeast Arkansas anywhere within our service area and return. SEAT also offers round trip transportation into Mississippi and Louisiana on a limited basis. SEAT coordinates services with Pine Bluff Transit as needed.

Call Customer Service at least 48 business hours in advance to request a ride. Riders are scheduled on a first- come, first- serve basis when space is limited.

Polk, Pope, Scott, Sebastian and Yell Counties

Western Transit System (WTS) initiated public transportation service in 2011. Sponsored by the Area Agency on Aging of Western Arkansas, Inc., WTS recognized the transportation needs of all rural residents in its service area. This program offers mobility and connects the citizens of these very rural, economically depressed regions with various kinds of services including medical, social, nutritional, and recreational as well as shopping, bill paying, and employment opportunities.

By expanding its mission from services to seniors, WTS will improve access to transportation in rural areas to all citizens which will in turn make it possible for opportunities to seek employment, shopping and medical and personal services.

Clientele: Disabled

Purpose: A DDTCS center that provides transportation to and from the facilities for the education and training of children whose needs are not provided for in the public school system.

Service Area: Ashley, Chicot, Desha and Drew Counties.

Intercity Transportation Service

INTERSTATE COMMON CARRIERS

- Greyhound
- Jefferson
- Kerrville

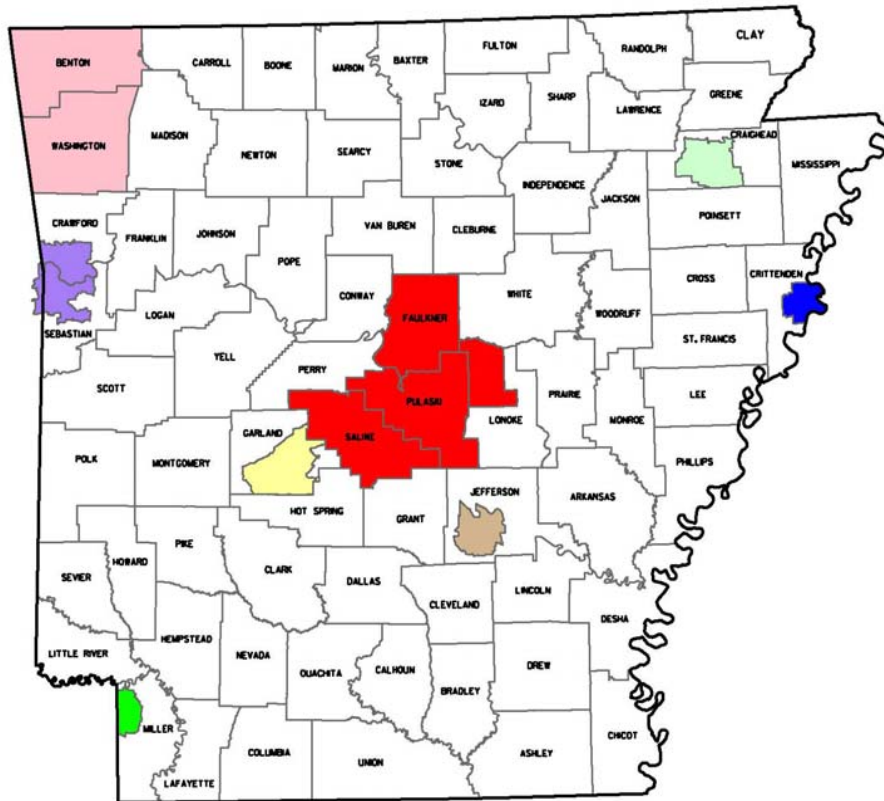

SEC. 5311 INTRASTATE RURAL CARRIER

- South Central Ark. Transit

The Section 5311 Program allows funding to private for-profit agencies providing intercity transit service. In November, 2006, Jefferson Lines initiated service in Arkansas under the Section 5311 Program. Greyhound Lines and Kerrville Bus Company were awarded Section 5311 Program funds during 2008. In addition, one Arkansas rural public transit systems provide connector service to the intercity bus carriers.

Trips were primarily for visiting family or friends and averaged a distance of 175 miles. Capital, operating and marketing assistance totaled approximately \$500,000 was used to support intercity bus service.

Metropolitan Planning Organizations (MPOs)

In 1973, the Federal Transportation Act required that each urbanized area (area with 50,000 or more population) establish a Metropolitan Planning Organization (MPO). An MPO is an organization of primarily local elected officials and representatives from public transportation agencies who provide a forum for local decision-making on transportation issues of a regional nature.

Under Section 5305, MPOs receive funds to support the cooperative, continuous and comprehensive planning program for making transportation investment decisions in MPO areas. Funds are apportioned by a formula to States that includes each State's urbanized area population in proportion to the urbanized area population for the entire Nation. These funds, in turn, are sub-allocated by States to MPOs by a formula that considers each MPO's urbanized area population.

U.S. Department of Transportation (USDOT) and Arkansas State Highway and Transportation Department (Department) are participating agencies. The MPOs in Arkansas funded under Section 5305 are located in the following areas:

MPO

Frontier Metropolitan Planning Organization
 Jonesboro Metropolitan Planning Organization
 Metroplan
 Northwest Arkansas Regional Planning Commission
 Southeast Arkansas Regional Planning Commission
 Texarkana Metropolitan Planning Organization
 Tri Lakes Area Metropolitan Planning Organization
 West Memphis Metropolitan Planning Organization

Park and Ride Lots

A number of park and ride lots have been established for the convenience of commuters who wish to share rides.

No permit or fee is required.

As a safety measure, all persons using a park and ride lot are reminded that their cars should be locked when not in use.
